Lesotho Council of NGOs to mark International Day for Democracy (15/09/15).

Lesotho Council of NGOs (LCN) will convene a one day public forum to mark International Day of Democracy. The event will be held at Victoria Hotel on September 15th, 2015. This year's theme is *"Space for Civil Society"*.

The theme is a reminder to governments everywhere that the hallmark of successful and stable democracies is the presence of a strong and freely operating civil society in which Government and civil society work together for common goals for a better future, and at the same time, civil society continue to play its oversight role to Government.

LCN recognises that democracy is a universal value based on the freely expressed will of people to determine their own political, economic, social and cultural systems and their full participation in all aspects of their lives.

At this event, a panel of experts will deliberate on the theme and the discussions will follow later.

For further information on the training please contact:
