Public Dialogue on the Post-2015 Agenda – Leave No One Behind (29/09/15)

The Lesotho Council of NGO's (LCN) will convene a public forum on Millenium Development Goals and the Post 2015 Agenda at Avani Maseru Hotel on the 30th September 2015. The event will be held to discuss the new development agenda beyond 2015 due to the fact that MDGs expected to expire by end of September 2015.

LCN also notes that experiences and evidence from the efforts to achieve the MDGs has demonstrated that we know what to do in achieving development goals. But moving forward progress will require an unswerving political will, and collective, long-term effort. LCN recognizes that we will need to tackle root causes and do more to integrate the economic, social and environmental dimensions of sustainable development. The emerging post-2015 development agenda, including the set of Sustainable Development Goals, strives to reflect these lessons, build on our successes and put all countries, together, firmly on track towards a more prosperous, sustainable and equitable world.

It is against this background that Lesotho Council of NGOs invites your organization to a public dialogue on the Post-2015 Development Agenda. The dialogue will discuss progress towards attainment of MDGs and solicit views on how to better implement the new development agenda with emphasis on the role of civil society. A panel of experts will deliberate on the above-mentioned which will then be followed by dialogue on their presentations.

The dialogue is implemented by LCN and World Vision with the support of Action/2015.
