## **Lesotho Council of NGOs marks World TB Day on July 1<sup>st</sup> (30/06/15).**

Lesotho Council of NGOs in collaboration with Ministry of Health will hold a National Dialogue to commemorate world Tuberculosis (TB) day at the Ministry of Health Auditorium on July 1<sup>st</sup>.

The overall theme stems from 2014 to **“Reach the three million A TB test, treatment and cure for all”**, but the sub theme for 2015 will be **“Reach, Treat, Cure everyone”**.

This theme calls for global effort to find, treat and cure all people with TB and accelerate progress towards the bold goal of ending TB by 2035 and Lesotho cannot be excluded. Commemoration for this year will target the Civil Society Organization through the umbrella body LCN with the purpose of strengthening and improving their engagement in TB control. It is envisaged that involvement will influence the current status of affairs positively and increase case detection as well as TB treatment outcomes.

It is expected that the Minister of Health will deliver the keynote speech at the event.
