

TEXTILE TRADE UNIONS AND TRANSPORT ASSOCIATION PRESS

RELEASE ON THE 3RD JULY 2015

We the above mentioned sectors Trade Unions and Associations met on the 2nd July 2015 to discuss the current situation in the country concerning the current situation of the SECURITY in our beloved country that seem not to be stable. After the serious analyses of the situation and the impact it has towards the country economy at large and the main textile employment sector which is mainly driven and assisted by the USA. Also realizing that the USA had issued the statement to our Government that in a short space of time(6months period) this problem should have been addressed. We came to the conclusion of seeing the danger our country is facing.

Therefore, in an effort to address this crises we came to the conclusion of taking the following measures in an effort to persuade our government to take drastic measures to address this SECURITY problem in the best interest of the country and the nation at large.

<>We agreed to consult our members also to call upon all other Trade Unions, Associations as well the Civil Societies to come together in all forms to work together in persuading our government to restore peace and stability in the country. Peace and stability of this country will save various employment that we already have and bring more investors in the country for the benefit of all of us.

<>After this press conference we are all going to meet on the 14th July 2015 with the view of formulating our plan of action on what

measures we should take to see that our concern is heard by the government.

<>We're to engage the NGO's once we're done on the 14th July 2015 as we are obliged to work hand in hand for better Lesotho and Basotho

Lastly we strongly wish to distance ourselves and dismiss the statement published on some of the radio stations or announced in any way that there's a STAY-AWAY on Monday 6th and Tuesday 7th 2015 that our members are part of neither us.
