Lesotho Council of NGOs to convene a training on UDHR for NGOs (27/05/16)

Lesotho Council of NGOs will convene a training on the Universal Declaration of Human Rights (UDHR) at Mmelesi Lodge on 30th to 31st May 2016. The training is a first of the series of Human Rights trainings under the Project Civil Society Engagement Towards Fostering Rule of Law and Accountability in Lesotho.

The training is intended to improve the appreciation of Human Rights instruments within members and the general citizenry of Lesotho.

Civil Society Engagement Towards Fostering Rule of Law and Accountability in Lesotho is supported by the European Union under the “European Instrument for democracy and Human Rights” (EIDHR). Under this support, LCN seeks to strengthen the capacity of local civil society organisations and other stakeholders to pursue the promotion of human rights principles, related accountability of public institutions and the democratisation process. This project, implemented by LCN also supports the drafting of shadow reports on progress made in implementing the UN Human Rights Conventions.
