LCN to convene trainings in Mohale's Hoek, Maseru, Butha-Buthe and Mokhotlong (24/10/16)

Lesotho Council of NGOs (LCN) will convene a four-day training in project management, monitoring and evaluation and financial management in Mohale's hoek, Maseru, Butha – Buthe and Mokhotlong, from 25 – 28th October 2016.

The main purpose of the training is to enhance the skills and knowledge of Civil Society Organisations (CSOs) in order to minimize or to reduce failure of project and community development, also for the CSO to be able to identify bottlenecks during project implementations.

It is expected that the training will improve understanding of how project management, monitoring and evaluation and financial management and CSOs will be able to sustain their community projects

LCN is implementing the activity under the support of European Union is implementing Deepening Decentralization of Non – State Actors Project which is operational in six districts. The project is divided into four main results of which is the responsibility of LCN to implement. Civil Society Organization at the local community councils have income generating activities such as small poultry, piggery and knitting and sowing projects. These projects are non-sustainable due to lack of knowledge and skills on how manage these project.

For further information on the training please contact:
